

# Innovations in Higher Education

ASIAN HIGHER EDUCATION SUMMIT

26-27 June 2014, Hong Kong

Organized by  
Faculty of Education  
University of Hong Kong

in collaboration with  
Asian Development Bank

# Agenda

## Objectives:

The Asian Higher Education Summit is meant to gather regional senior higher education leaders, to interact with one another, exchange ideas, share experiences, insightfully cross-fertilize, and rejuvenate their thinking amidst pressing expectations in their home jurisdictions.

## Moderators:

Gerard Postiglione & Kai-ming Cheng, *Faculty of Education, HKU*

## Opening:

Jouko Sarvi, *ADB*;

Stephen Andrews, *Faculty of Education, HKU*

## Keynote:

Daejoon Hwang, *Republic of Korea*

## Themes for Round Table Discussions:

- ◆ **Innovations in Higher Education:**  
re-interpretations
- ◆ **Aims of Higher Education:**  
re-visits
- ◆ **Governance and Finance:**  
new perspectives
- ◆ **Excellence and Academic Autonomy:**  
new concepts
- ◆ **Students Learning:**  
re-definition

The Asian Higher Education Summit will also be attended by participants of the Summer Institute on Higher Education for Tomorrow, held at the University of Hong Kong.

Dr. Anatoly Oleksiyyenko

Professor Rui Yang

With few exceptions,  
almost all jurisdictions in Asia are  
engaged in Higher Education  
development or reform.

They are not about making up for a  
deficit or catching up  
with the rest of the world.

They are creating a future  
of their own.

They are about  
**INNOVATIONS!**
