# Testimonial

- ◆ My participation in Summer Institute is a rewarding one for me. I have learned many aspects of higher education that made me conversant with Asian higher education system. I am now more confident than earlier and I have network with education leaders in the region.

--- Alam, Bangladesh

- ◆ The training was really interesting and informative. I feel it has given me enough to answer successfully to my future work challenges. Very friendly atmosphere and lovely staff.

--- Munkhbat, Mongolia

- ◆ The knowledge we gained in this summer institute is invaluable and guides us to where we go, our education for tomorrow. We all will remember this precious period for our remaining life.

— Aye Aye Tun, Myanmar

- ◆ The two programs were very creatively connected in bringing up not only the issues and new agenda in innovating our higher education systems in Asia, but also reminding us of our experiences in the past decades and attempting to link them to now developing states.

--- Resource person from South Korea

- ◆ What I have learnt from the Summer Institute 2015 is not about knowledge or mechanism, but about human and the dreams in the process of higher education building in times of ever changing scenario.

--- Hy Thien Quach-Hoang, PhD candidate, HKU
